Accounting, Part-Time Faculty 001-PTF-75

Salary: See Position Description

Location: Bellevue WA, WA

Job Type: Adjunct Faculty

Division: Academic Affairs

Job Number: 001-PTF-75

Job Status: Part-Time

DESCRIPTION
The Business Administration Transfer Department at Bellevue College is seeking to fill a Part-time Accounting Faculty for this academic year. Bellevue College maintains a pool of qualified applicants interested in temporary teaching positions on a part-time basis. Positions may become available at any time and are typically filled on a quarterly basis.

ABOUT THE COLLEGE
Bellevue College is located about ten miles east of Seattle, Washington, between Lake Washington and the Cascade Mountain foothills. The college is the third largest institution of higher education in Washington and enrolls more than 32,000 students a year. BC has been acknowledged nationally for its leadership with major grants from the National Science Foundation and in winning such awards as the national Sen. Paul Simon Award for Campus Internationalization from The Association of International Educators and numerous awards for its pioneering work in diversity. We are committed to serving all students fairly and equitably. We affirm and embody pluralism.

We strive to create a vibrant and inclusive campus community that supports a diverse student body, faculty and staff. As an essential part of our http://www.bellevuecollege.edu/futurevision/core-themes/, diversity, equity and pluralism are promoted and fostered in all aspects of college life. By enriching student life through leadership opportunities, personal learning and cultural experiences, we are committed to building an inclusive and diverse campus community that fosters creativity, innovation and student success.

ABOUT THE PROGRAM
Bellevue College Business Transfer Program is the largest program in the state and we transfer the largest number of students to the University of Washington Foster School and the University of Washington, Bothell. We have over 10 faculty including six certified accountants and three lawyers, some who have won awards and all who have extensive industry experience. Our program offers online/on campus courses including Accounting, Law and Statistics. Our mission is to create an exciting learning environment where high standards are set for students; innovative curriculum and great faculty creates high retention and high achievement.
