Organization

Founded in 1985 by Miami philanthropist Toby Lerner Ansin and ballet legend Edward Villella, Miami City Ballet (MCB) is one of the world’s leading ballet companies and universally admired among the preeminent interpreters of George Balanchine’s choreography. MCB serves and promotes South Florida’s highly diverse population, where the arts communicate across barriers of language, class, and culture. Three pillars propel the organizational mission as a leader in ballet: The Company, The School, and Community Engagement.

MCB’s Artistic Director, Lourdes Lopez is a former New York City Ballet principal dancer who worked directly with George Balanchine and Jerome Robbins. Now in her 11th year, she has helped MCB become a leader in opening new avenues of inclusivity within classical ballet. The company has a repertory of over 100 ballets, including world premieres and new choreography by contemporary artists. The company of more than 50 dancers performs annual seasons in Miami-Dade, Palm Beach, Broward, and Collier Counties, serving more than 120,000 people, and has toured extensively throughout the United States, Canada, and Europe. During the onset of the COVID-19 pandemic, MCB produced ballet and virtually choreographed work for the digital space. Additionally, MCB programmed an outdoor performance of The Nutcracker in a hybrid digital format and created a digital streaming series of past performances from MCB’s archives.

Miami City Ballet School (MCB School) was founded in 1993 and is one of the largest and most prestigious ballet training academies in the nation. Comprised of three progressive levels for students ages 3 through 18, MCB School offers top-level training and $650,000 in scholarships annually to talented, dedicated students from the United States and abroad, regardless of their financial means. MCB School has trained more than 1,500 students for careers with MCB and other professional companies throughout the world. Students are offered unique performance opportunities alongside MCB dancers. There are also various levels of adult classes available in the Adult Open Division.

Rooted in its belief that dance can transcend boundaries, change lives, and transform entire communities, MCB’s Community Engagement programs promote access for all people, including communities that are systemically disenfranchised. Its Community Engagement programs serve more than 20,000 people annually through training, performance participation, and workshops. Community Engagement programs include Ballet Bus, Explore Dance, Behind the Ballet, Open Barre, Touch Tours, STEAM+, and the Palm Beach Summer Dance Camp, a free, three-week dance intensive program for students from Title I schools. Community partners include The Bass, His House Children’s Home, Lotus House, Nicklaus Children’s Hospital, Miami Lighthouse for the Blind, and neighborhood organizations from Little Havana, Little Haiti, Allapattah, and Belle Glade. Community performances are hosted by cultural presenters such as the Adrienne Arsht Center for the Performing Arts, Miami-Dade County Auditorium, Colony Theatre, Kravis Center for the Performing Arts, The Society for the Four Arts, and the A.W. Dreyfoos School of the Arts where the Palm Beach Summer Dance Camp is held.

To support its brand promise of leaving the ordinary behind, MCB raised more than $60 million as part of a comprehensive $55 million Transforming Lives Campaign which was completed in April 2022. The funds were used to implement MCB’s strategy for the 2018-2022 seasons and provided seed funding to develop and implement the 2023-2027 seasons.
MCB is committed to the following series of institutional values to transform its brand and lead the organization into a bold new era of continued excellence:

- **Pursuit of Excellence**: Relentless dedication to getting better every day, onstage and off. We care deeply about the caliber of our work, and we won’t settle for less.
- **Elevation**: We create work that stretches perspectives and raises spirits.
- **Accountability**: We trust every person to pursue our common mission with integrity, inclusivity, empathy, and diligence.
- **Collaboration**: We are part of the communities we serve. We value each person’s contribution and collectively solve problems because our greatest achievements come when we band together.
- **Authentically Miami**: We are energetic, diverse, dynamic, and welcoming.
- **Joyful Generosity**: When we share our work, we share our hearts. The care we take to engage our audiences demonstrates our love and appreciation for them.

MCB seeks to develop and nurture its diversity and is committed to maintaining an inclusive community that recognizes and values the inherent worth and dignity of every person, while fostering tolerance, sensitivity, understanding, and mutual respect.

MCB is governed by a 45-member board of directors and trustees led by Board Chair Jeff Davis who currently serves as the Interim Executive Director. MCB’s annual overall operating budget is $24.5 million for the fiscal year ending in April 2023, approximately one-third of which is earned through ticket sales, touring fees, and school tuition, and the remaining two-thirds from contributed revenue from local and national foundations, corporations, and the philanthropic community of South Florida.
