Biology & Honors Research
Part Time Parental Leave Substitute

The Archer School for Girls is seeking a skilled and experienced part time Biology substitute teacher starting in August 2020 and continuing through December 2020. The position involves teaching Upper School Biology classes using student-centered methodologies. A desire to collaborate with colleagues and a commitment to encouraging the potential in every student is essential.

Our Science Department:
- Believes all students can achieve at the highest levels
- Uses laboratory-based learning to focus on the integration and application of skills
- Teaches “physics first”; all 9th graders take Conceptual Physics as the intellectual foundation to studying Chemistry and Molecular Biology in 10th and 11th grades, respectively.
- Ensures rigor and excellence by aligning curriculum, pedagogy and assessments with Next Generation Science Standards
- Integrates technology into lessons regularly

Our Ideal Candidate:
- Holds a degree in Biology, Biochemistry or similar
- Masters Degree or Experience as a science research is preferred
- Has taught at least 3 years at the secondary level or beyond
- Routinely reflects on their lessons and seeks feedback
- Has a desire to grow their teaching practices
- Works to effectively differentiate for diverse learners
- Collaborates regularly with colleagues inside and outside the subject area

Our Expectations Include:
- Organizing rich, student-centered lessons and units
- Developing a classroom culture that is inclusive and safe for all students
- Creating thoughtful and challenging assessments for all courses
- Committing to ongoing professional development

The Archer School for Girls is an educational community that supports and challenges young women to discover their passions and realize their true potential. Serving 500 girls in grades 6-12, Archer’s joyful and ambitious learning environment is based on the latest research on how girls learn and thrive. Beyond competitive pay and benefits, faculty enjoy working in a collegial, growth-oriented, and joyful community. We seek faculty who will contribute to an equitable and just learning environment. Integral to its mission, Archer has remained passionately committed to cultivating a diverse and inclusive community where all students can thrive personally and academically.
