Middle School Integrated Science Long-term Substitute Teacher

The Archer School for Girls is seeking a dynamic Middle School Integrated Science Long Term Substitute Teacher to inspire and educate students in grades 6-8 for the remainder of the 23-24 school year. The ideal candidate will be familiar with Next Generation Science Standards (NGSS) and inquiry-based teaching and learning. Excellent communication and collaboration skills, a strong understanding of scientific concepts, and a belief in every student’s capacity to learn and grow are essential qualities for this position.

Responsibilities include:

- Teaching MS Science, grades 6th and 8th
- Supporting our Science Fair program
- Serving as a 6th grade mentor

Qualifications include:

- Bachelor’s degree in a relevant field, Master’s degree preferred.
- Prior teaching experience, preferably in middle school or with students of similar age groups.
- Ability to create a positive and inclusive classroom environment that promotes student collaboration and exploration.
- Experience with OpenSciEd curriculum is a plus.

The Archer School for Girls is an educational community that supports and challenges young women to discover their passions and realize their true potential. Integral to our mission, Archer has remained passionately committed to cultivating a diverse and inclusive community where students and teachers can thrive personally and academically. We look for candidates who want to join our joyful and ambitious learning environment and contribute to the diversity of experience, background, and interest in LA’s Independent Schools.

Salary range: $2,800 to $5,000 per semi-monthly pay period (depending on qualifications and experience)
