

## College of Education (Assessment Learning and Student Success EdD Program), Tenure-Track Faculty

### Job Title

College of Education (Assessment Learning and Student Success EdD Program), Tenure-Track Faculty

### Department

Dean Education

### University Expectation

MTSU seeks candidates committed to innovative teaching, robust research/creative activity, and meaningful service. We also seek to attract a culturally and academically diverse faculty who value working with a diverse student body.

### Salary

Salary commensurate with education and experience

### Job Summary/Basic Function

The College of Education at Middle Tennessee State University invites applicants for a full-time, tenure-track faculty position at the rank of assistant/associate professor. The start date for the position is August 1, 2023. The position is contingent upon funding.

The successful candidate will support the Assessment Learning and Student Success EdD Program, particularly its Higher Education Concentration and the College of Education. In addition, the successful candidate will teach graduate courses. Assignments may include teaching in off-campus, weekend, online, and cohort graduate programs. Responsibilities include teaching courses, chairing higher education dissertations, serving on dissertation committees, and designing online courses for the College of Education to be delivered in related programs. The successful candidate is also expected to maintain an active research agenda in higher education scholarship.

### Required Education

Earned terminal degree in Higher Education or a closely related field

### Required Related Experience

Three (3) years of higher education administrative experience

### Other Desirables

Candidates who possess any of the following will receive special consideration:

- Expertise in higher education policy
- Academic and applied expertise in quantitative and/or mixed methods research design
- Experience in early childhood special education
- A record of teaching graduate level courses and/or practical experience in areas such as educational foundations, curriculum, instruction, assessment, administration, higher education topics courses, and student success
- Experience designing, teaching, and coordinating graduate-level online and face-to-face courses
- Experience with submission and awarding of external funding to support research
- Experience supporting dissertation candidates as either a chair or a committee member

### Documents Needed to Apply

To successfully apply, applicants must include the following documents as separate attachments at the time of online application submittal: a cover letter, curriculum vitae, a statement of teaching philosophy, and a statement of research or creative activities (as appropriate to the discipline).

### Special Instruction to Applicants
